The Cyprus Institute of Marketing (CIM)

The Cyprus Institute of Marketing has been operating in Nicosia since 1978 and in Limassol since 1984. Originally set up to promote the science of Marketing in Cyprus and abroad, during the last 40 years CIM has evolved into an all-round Business School, offering an array of programmes - from Marketing and Management to Finance & Accounting, Shipping, and International Business & Commercial Law.

Over the years, CIM has provided the opportunity to more than 5,000 students to acquire world-class qualifications and fulfil their aspirations. The majority of these are individuals who had missed out, for one reason or another, on the opportunity to study after graduating from secondary school, yet who always had the desire to pursue learning, gain further knowledge and qualifications, and advance their careers.

Though CIM now serves students from all ages and all walks of life, it still offers exclusively evening classes - in order to cater for the needs of working individuals. And it still puts its emphasis on combining theory and practice.

We are proud to be Cyprus's finest Business School. And we are proud to offer the best education at the most affordable fees.

University of West London

The University of West London is a British University with sites in Ealing and Brentford and an educational hub in Berkshire. It traces its roots back to 1860, when teaching began on its Ealing site and until 1st May 2011 it was named Thames Valley University.

The University of West London is one of the UK's most diverse and exciting universities. It was named No. 1 modern university in London by The Guardian in 2019 and is London's best performing multi-faculty university for employability (98% within 6 months of graduating). Also, it was named No. 50 in the UK according to the Guardian University Guide 2018.

The Claude Littner Business School

The Claude Littner Business School is based in the heart of west London, at the centre of a highly lucrative business district. Fifty percent of the UK's top 30 companies and over 30,000 SMEs are based there.

The school has strong links with national and international employers and some of the most innovative companies in the area. It provides individuals with life-long learning and training, giving them the knowledge and skills to flourish and to get their ideas off the ground- whether they are graduates, senior executives or entrepreneurs.

Teaching methods

How you learn is almost as important as what you learn, and it is our job to ensure we give you all the information you need in as interesting and varied a way as possible. So there will be lectures, seminars, tutorials and workshops, where you will listen, learn, discuss and gain hands-on experience of how business and finance work. We aim to combine traditional academic teaching with up-to-date training in the skills needed to be successful in the modern world.

Exit skills

Our aim is to produce graduates with all the skills and abilities needed to flourish in the world of accounting and finance.

We hope you'll leave us not only with all you need to start a career, but as someone who doesn't see a job as the end of their studies so much as the start of Continuous Professional Development and Lifelong Learning. This degree provides a fantastic basis for all professional qualifications, including those offered by the Association of Chartered Certified Accountants (ACCA); the Chartered Institute of Management Accountants (CIMA); the Institute of Chartered Accountants (ICA); and the Institute of Credit Management (ICM).

Career progression

Our BA (Hons) Accounting and Finance course aims to open doors.

We give you all the knowledge, experience and skills you'll need to go out and start a rewarding career in one of the fields of accounting. This could be financial accounting or management accounting, corporate finance, taxation or auditing.
