## **Approval Policies**

1. Applications for fellowships are accepted around the year. However, appointments are made once a term (when the Selection Committee meets).
2. All fellowships are of one-year duration and all are eligible for renewal (upon approval by the Board).
3. There is no minimum of maximum number of successful applications and all applications are reviewed on merit alone.
4. Please include with this application form a recent CV listing your academic achievements, experience, and research record.
5. You should contact two referees familiar with your work to support your application. Referees **may be** contacted by the Director of the Research Centre during the review process.
6. All documents must be submitted via email attachment.
7. Incomplete application forms or applications without accompanying CVs will not be accepted.
8. There are four different kinds of Fellowships on offer. Please select the most appropriate for your case:
  - a. Doctoral Fellowships: for applicants in the latter stages of their PhD studies.
  - b. Postdoctoral Fellowships: for applicants who have completed their PhD studies within the last five years.
  - c. Senior Fellowships: for applicants with an extended academic record and who have been in possession of a PhD for longer than six years.
  - d. Visiting Fellowships: for applicants with an extended academic record based abroad visiting Cyprus for research purposes.
9. Please review carefully the Duties & Benefits of Research Fellows.

**Please send your completed application form along with your CV to:**
